PG-13 Starring: Tessa Thompson, Chris Hensworth, Clark Gregg, Michael Fassbender, Aki Proza, Lesley Manville, and others. Movie Review: Tessa Thompson takes on a role that would normally be played by a male actor and does it exceptionally well. After seeing the New Mutants film, fans will hopefully be able to forgive the casting of this role. While the film was incredibly cheesy (read more... ) Result 1 of 26 Amazon's Transformers Reveal Trailer Trailer (HD) Starring: Mark Wahlberg, Nicola Peltz, Josh Duhamel, Stanley Tucci, and many more. Movie Review: Mark Wahlberg is the star of this new Transformers film, along with supporting actors Nicola Peltz, Josh Duhamel, Stanley Tucci, and a ton of other characters. Transformers: The Last Knight was a big let down for fans. This trailer gives some hope for this franchise. One of the trailers' main selling points is Mark Wahlberg, but this trailer only features one full-length scene. The full trailer is expected to be released soon. Transformers: The Last Knight (2018) is an upcoming science fiction action film directed by Michael Bay and distributed by Paramount Pictures, based on the Transformers toy line of the same name. It is the fifth installment of the Transformers film series. It is scheduled to be released in theaters on June 23, 2018. In the film, the character Arcee (played by Isabel Lucas), a scout from the planet Cybertron, goes to Earth to warn the people of its impending destruction. The human race have over-extended and led to the extinction of all but one being on Earth. With the planet about to be destroyed, Optimus Prime (played by Peter Cullen) returns to Earth and gathers the characters of the various alternate universes, the "decepticons" to unite against a common threat.
